

Building Materials, Inc.  
Quality without Boundaries

April 2, 2013

To Whom It May Concern:

Quail Run Building Materials, Inc. is the Southwest's premier manufacturer of cold formed framing products. The Phoenix-based company is veteran operated and has been in business 27 years manufacturing a full line of light gauge steel studs, joists, and accessories used for commercial and residential construction.

On January 29, 2013, the Ak-Chin Indian Community invested in Quail Run Building Materials, Inc, making the company Native American majority-owned.
